60 Precious Pints Collected During August 1 Blood Drive.

The Waianae Comp. August 1 Blood Drive was a huge success.

Thanks to community residents, patients and staff, we collected 60 pints of blood!

In Hawaii, 250 blood donors are needed everyday to help meet the needs.

Here are the ways our donated blood helps save lives:

15% Accident and Trauma Victims
20% Open Heart Surgeries
30% Delivering Women/Newborns, Bleeding Ulcers, Other forms of treatment and surgeries
35% Cancer Patients

Mahalo, Waianae, for Giving the Gift of Life!

National Health Care Compliance and Quality Expectations: We're striving to provide the best in healthcare

Milo Huempfer, Director of Clinic and Administrative Services

Throughout the nation, health care organizations are being required to meet new federal, state and local regulations governing the delivery of healthcare. The Health Center operates under the highest quality standards and is developing procedures and training staff to meet new regulations. In our commitment to healthcare compliance and quality, the Health Center is proud to announce that Milo Huempfer, Director of Clinic and Administrative Services, has successfully achieved a Certification in Healthcare Compliance.
