PARENT/LEGAL GUARDIAN-REPRESENTATIVE CONSENT
FOR STUDENT TO RECEIVE SERVICES AT THE SCHOOL-BASED HEALTH CENTER

I, the parent/legal guardian-representative of said student, give consent for the student to receive all services at Waianae High School’s School-Based Health Center including medical (e.g. vaccinations, physical exams, evaluation of injuries, and referrals) and behavioral health services (e.g. screenings, diagnoses, therapy, and referrals).

I understand that youth 14 and above may consent to their own outpatient behavioral health services. SBHC staff will encourage every student to involve his/her parents/legal guardian-representatives in health care decisions. I understand that I may receive more information about minor consent services. I understand that the student’s healthcare information is confidential, but that in certain instances, law allows or requires use and disclosure to others including if (1) you or the student authorizes the release of information, (2) a court so orders, (3) the student presents a danger to the student or others, or (4) child or elder abuse/neglect is suspected.

I understand that SBHC is operated by WCCHC in cooperation with Waianae High School. It is not part of, or directly operated by Waianae High school. I understand that SBHC is operated by WCCHC and certain records about the student and the student’s treatment shall be kept in written and computerized form and may be reviewed by other providers at WCCHC as needed.

I understand that the student may be seen by a trainee/student who is identified as such and that all services provided will be supervised by a licensed provider. I have the right to refuse services by a trainee/student.

I understand that no student will be denied access to health services due to inability to pay. As in any health center, there may be a charge depending on the service provided. When available, insurance will be billed. I understand that SBHC may release information regarding treatment to third party payers for billings purposes.

I am the parent/legal guardian-representative of the student. I understand that if guardianship or representation changes, a new consent must be signed by the legal guardian-representative. I also understand that by providing an alternative contact, if I cannot be reached, medical information regarding the student may be shared between the medical provider and the alternative contact.

I understand that this consent form is valid for the student’s entire enrollment at Waianae High School or until I provide SBHC staff with written directions otherwise.
